Central Gauteng Cycling

Dear Shahad,

RE: LETTER OF APPRECIATION – NEW HORIZONS CYCLING CLUB INTERCLUB CRIT

We hope that you are well. We write to you, to thank you for the fantastic support provided by yourselves for our Interclub Crit. Many of our riders braved trying weather conditions on the day, and being properly organised, just made it worth the effort. Your assistance with infrastructure and planning contributed to the success of the Crit.

Aside from serious racing, our members and guests had a great time interacting and growing the sport, more importantly revitalising crit racing locally.

By providing healthy alternatives, we can develop our youth, stimulate the sedentary and perhaps someday a champion will come from amongst us. I include some pictures also.
